INSTRUCTIONS

Booking System

CBDWeb is R.A.N. Ski Club's automated online Booking System for each of our lodges.

Making an Online Booking

Online bookings are made direct in CBDWeb, logging in via [Member Bookings – The R.A.N. Ski Club \(ranskiclub.com.au\)](http://ranskiclub.com.au)
Online Bookings are confirmed at the time of booking.

Booking Invoices

Online bookings automatically generate an invoice to the Member's page.
EWay credit card payment is the method of payment for online bookings. This incurs a 1.5% surcharge.

Guest bookings

Guests of Members can only stay at our lodges when included on a group booking made by the host member. The host member must be present at the lodge for the duration of the booking. In the event where the host member needs to depart earlier, the guest must also depart the lodge.

Payment for guest bookings

The entire group booking is to be paid for by the Member. The Club cannot accept payments from guests of members. Likewise, this applies to any amendment to, or cancellation of a booking. These can only be accepted from the host Member.

Offline Bookings

All bookings (with the exception of priority 1 & 2 Bookings) should be made using the online CBDWeb booking system. If a member for whatever reason is unable to utilize the Online system, they may complete an Offline bookings using the Offline Booking Form 2025. Offline Forms must be filled out completely, listing the name, ages and gender of each person on the booking, along with the credit card details of the host member. Incomplete or incorrectly completed forms will be returned unactioned. For security reasons Offline Booking forms containing credit card details must only be submitted via FAX: (02) 6189 2271.

Bookings will be processed on a first-come first-served basis.

Maximum consecutive stay

During the season, the maximum number of consecutive days a member can stay at any of our lodges, is 28 days. Requests for bookings exceeding 28 days, will be actioned as follows; the first 28 days will be processed as a maximum night booking. In fairness to all members, the remainder of days in excess of 28 days will not be processed until the beginning of the season (i.e. June Long Weekend).

Persons wishing to extend beyond 28 consecutive days, must be absent from the lodge for a minimum of two days before being eligible for a further stay.

A.B.N. 24 004 590 569

Multiple-bookings

To maintain an equitable allocation of accommodation, bookings for more than 7 days (e.g., 14 days) will be considered as multiple bookings and thus treated as separate applications (2 x bookings at 7 days). Consequently, bookings submitted via the Offline Booking Form for multiple bookings must be on separate booking forms. Offline Booking Forms with multiple bookings will be rejected and returned unactioned.

Transfer of Bookings

CBDWeb cannot support transferring bookings from one period to another. Where a member requires to change their booking to a different date, the first booking must be cancelled and a new booking made for the different date. Bookings are not transferrable from one host member to another host member. The person hosting the group must be the person making the booking. Members may replace guests or other members within their booking subject to the prior agreement of the Club Booking Officer (or the Lodge Manager for Last-minute Booking changes). Such transfers may be rejected where there is a waiting list or where the proposed change cannot be accommodated because of bedding allocation limitations.

Last-minute bookings

Lodge Managers usually control accommodation for the following week from the time the booking sheets are finalised, normally Thursday of the prior week. From this point, members may continue to make online bookings, but should contact the respective lodge manager directly for all accommodation enquiries.

Cabin Allocation

Family Member Bookings - Family Members 18 years and over may stay in the lodges without their related Ordinary or Associate Member being present.

Family Members under 18 years must be accompanied by an adult member aged 18 and over.

Age / Gender - The combination of members' age and gender can, at times, affect occupancy, reducing it to below full capacity.

Children - There is no special rate for children: they are classed as either a member or a guest and the applicable member or guest nightly rate will be charged.

Single Members/Guests

Accommodation is sold on a 'bunk' basis. Members making a booking in winter for one person may be required to share with another single member of the same sex. Members who prefer not to share a cabin can book sole occupancy by paying the applicable rate for all beds in the cabin.

Adult single members will not be allowed to share a cabin with a child.

Green Season Bookings

Bookings for the non-snow season can be made after the October long weekend. Bookings cannot be made online and must be made via our Booking Officer (02) 6295 6634.

Thredbo Lodge – As Thredbo village is an all-year resort, the Thredbo Lodge is open for individual and Whole of Lodge (WOL) bookings through the season with a resident manager in situ.

Mt Buller (Breathaker Lodge) – May have a manager at various key periods and is also available for WOL bookings. Perisher Lodge- not open for individual bookings during the summer season as there is no resident manager in situ.
